The Book Of Isaiah

**Bethel Baptist Church
September 4, 2019
Wednesday, 6:30 P.M.**

Isaiah had night vision – he could see things in the dark that others could not see in the light!

Where do you turn for comfort when:

- Circumstances frighten you?
- All your plans fall apart?
- The future holds no hope?

Isaiah is the prophet we need to hear today as he cries out God's message above the din of world upheaval.

"Comfort, yes, comfort My people!" (Isaiah 40:1)

That was the good news the Prophet Isaiah proclaimed to God's people centuries ago. His message still applies today. Isaiah not only reveals God's prophetic plan for Israel, but also God's power and peace for all who trust Him today.

In this study we shall see how God can help us:

- Find strength and comfort in times of trial
- Conquer fear when your world is shaking
- Enjoy a rich worship experience with God
- Experience God's comfort and love

**Remember: God's comfort doesn't weaken us:
It strengthens us! God is empowering us!**

I'm looking forward to another great year of studying God's Word together. Hope you will invite your family and friends.
